

Vital Strike

Providing instant soil stabilisation, long term ground cover and improved seed germination.

Vital Strike provides a solution to environmental and revegetation compliance requirements.

Vital Strike's formulation delivers effective soil stabilisation with efficient nutrient supply. Utilising a unique chelating delivery system containing trace elements for optimum nutritional uptake, with maximum results.

- Cost-effective
- Certified as non-hazardous
- Quick and easy to apply to any seeded area
- Can apply combination with seed as a hydroseed alternative
- Reduces dust and erosion through stabilisation
- Incorporated fertiliser for improved vegetation
- Increases moisture retention and reduces weed
- Improved root establishment
- Cures in hours and will not remobilise
- Significant water and time savings

Vital Chemical formulate, manufacture and provide
best value solutions focused on delivering
social, environmental and economic benefits.
